

LinkedIn Learning is available to all Faculty, Staff and Students at Baylor!

LinkedIn Learning is an award-winning industry leader in online training, with a digital library of over 16,000 courses covering a wide range of technical, business, software, and creative topics. You can access all LinkedIn Learning courses 24/7 from your desktop or mobile devices to support your career development and academic success.

To receive the greatest benefit from LinkedIn Learning, we recommend you link your LinkedIn profile to your LinkedIn Learning account during initial account registration. Connecting your LinkedIn profile to Learning not only provides fast access to the Learning platform from within your profile, but also indicates courses and certifications on your profile as you complete them.
