

This document contains the minimum information requirement in order to process a contract that uses a Baylor template. This document does not address all templates, only the most frequently used. Each template contains fields relevant to the contract which are required for the template to populate correctly. It is important these fields be completed in their entirety so the template will populate accurately.

NOTE: Templates update occasionally, so it is not advised to download them. Using the templates within the system ensures you are using the correct version and prevents delays in processing the contract.

Standard information required for **ALL contracts**:

- Second Party Name
- Second Party Contact Name & Email Address
- Second Party Signatory Name & Email Address
- Contract Summary
- Start Date (when the contract will be effective)
- End Date (when the contract will expire)
- Department Name
- Department Contact, Contact Email, Address, and Phone Number

Use the below table to determine the required information needed to process each template type:
