

Job Requisition Link for Student Employment Applications QRG

Overview

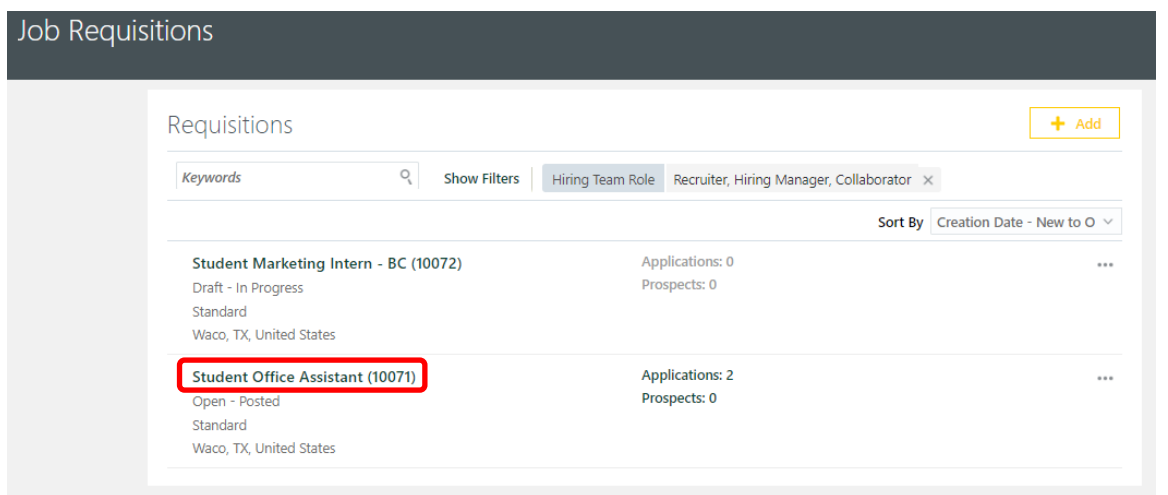

- I. Student Employee Supervisors can submit an Ignite Requisition for sourcing only. The position will not be posted to the Job Board to accept applications; however, the Supervisor can send the Requisition link to desired students for them to apply in order for the hiring process to occur in Ignite.
- II. Supervisors who have applicants from JobX that they wish to hire should send the applicant the Ignite Requisition link in order to have the student apply in Ignite so that the Supervisor can create an offer letter.

I. Navigate to the Requisitions page

- I. Select name of the desired Requisition from the Job Requisitions page

The navigation path consists of three buttons: 'My Team', 'Hiring', and 'Job Requisitions'. Green chevron arrows point from 'My Team' to 'Hiring' and from 'Hiring' to 'Job Requisitions'.

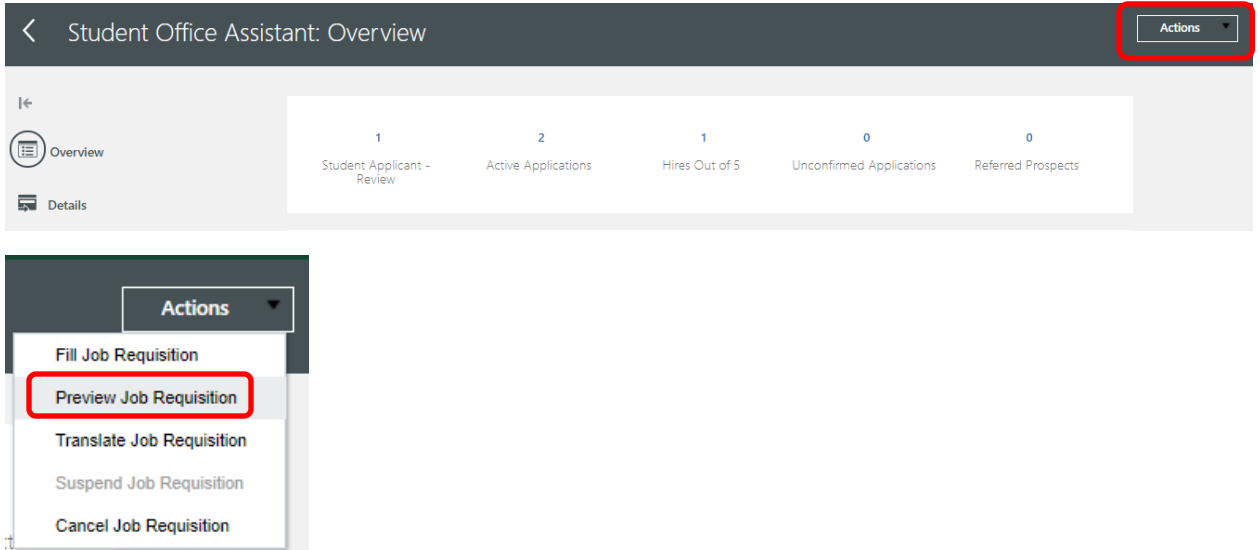

The screenshot shows the 'Job Requisitions' page with a table of requisitions. The 'Student Office Assistant (10071)' row is highlighted with a red box.
